

Deep Inside Of Me

Christiane Niemann

- Verse 1 There were times I couldn't let things go
 Friends have told me free your soul,
 All the sweet goodbyes that made me cry
 Whenever I found out about those lies,
 It hurts when you are the last to know
 And not let it show -
- Chorus 1 Deep inside of me, something is breaking free
 I won't let it show, but you seem to know,
 Like an open rose, with it's secrets disclosed
 That's how I feel, with your love so real -
 Deep inside of me, something is breaking free
 I won't let it show, but you seem to know,
 Like a piece of glass, easy to break apart
 Since you are near, I lost my fear
- Verse 2 Will I find a way to make you stay
 And our love won't go away,
 Even though I have to take it slow
 I hope there's a chance for our love to grow,
 After all the pain, everything has changed
 The day you came -
- Chorus 2 Deep inside of me...
- Bridge You heard my calls
 You broke the walls
 Deep Inside
- Chorus 3 Deep inside of me...
