

Heaven And Hell

Jimi Renfro

Verse 1

Call me what you like
Some say love is where you find it
But what if you don't find it
Ooh what happens then

We don't always reap what we sow
Day in - day out - some have come to know
I'm giving you my best
But you might not see it in all this mess

Chorus 1

Cause I'm
I'm Heaven and Hell
In one little package
I'm giving you what I've got
Don't fight the feeling
I'm Heaven and Hell
Take it or leave it
I'm giving you what I've got
Ooh – I've got what you need

Verse 2

Call me what you like
Perfect love till sunrise
A constant ebb and flow
We fly high – they fall below

The morning when you left me
It burned like bad whiskey
I heard you call my name
It sound like you said – I was way too risky

Chorus 2

I'm Heaven and Hell ...
