

# *Shining Star*

*Jimi Renfro*

Verse 1  
Lord knows I took my time with you  
This much I know it's true  
Lies run so deep with you  
Hear me when I say  
It all gets in the way  
I got no more time to play believe me

Chorus 1  
I'm not the only one who tried and tried to reach you  
But you're living in a dream  
I heard it said you would do anything to make it  
At least that's how it seems

Verse 2  
Oh man it really brings me down  
To see you messing round  
My life  
I went along for a while  
Finally found my style  
Finally found my way believe it

Chorus 2  
I'm not the only one...

Bridge 1  
Shining star – tell me  
Make up your mind  
Are you a falling star  
Do you know who you are

Verse 3  
I'm seeing you slip and slide  
I watched you run and hide  
From what you've got inside  
You tried to sell me out  
But I'm so far ahead of you – yeah  
And I always will be

Chorus 3  
I'm not the only one...

Bridge 2  
Shining star – tell me  
Make up your mind  
Are you a falling star  
Do you know who you are
