Zur Arbeit Mit Diesem Buch:

Dieser Sessionband bietet 4 Arrangements bekannter Stücke für die Instrumente **Vocals, Saxofon, Keyboard, Piano** und **Bass**.

Ich habe versucht, die Noten so zu gestalten, dass ein kreativer Umgang und ein Spielen in verschiedenen Kombinationen möglich ist.

Die Legende am Anfang zeigt sehr übersichtlich den Ablauf und die Form, weiterhin Tempo und Rhythmus.

Die **Melodie** kann gesungen, vom Saxofon oder Keyboard gespielt werden. Solopassagen tauchen in den Saxofon-, Keyboard- oder Pianonoten auf.

Eine **Gitarre** kann sich aus den Treble-, Keyboard- oder Pianonoten einen eigenen Part erschaffen. Die Akkordsymbole sind überall vorhanden.

Der **Bass** kann auch auf einem Keyboard gespielt werden. Das Überprüfen und Ausprobieren der Lagen gehört zum natürlichen, kreativen Umgang mit dem Notenmaterial.

Für das **Schlagzeug** ist der Grundrhythmus angegeben, auf eine Notation habe ich verzichtet. Wenn kein Schlagzeuger vorhanden ist, übernimmt das Keyboard den Rhythmuspart. Ein Style wird in der Legende vorgeschlagen, muß aber überprüft werden, denn jedes Keyboard ist anders programmiert. Es bietet sich an, Bass- und Drumpart am Keyboard in einer Person zu vereinen. Die Unterforderung, nur mit einer Hand Bass zu spielen, wird ein wenig aufgehoben. Dieser Spieler wird zum Herzstück der Band und ist der Hüter von Zeit und Form. Er zählt das Stück an und auch das Abspielen von Drumfills und -variationen gehört zu seinen Aufgaben.

So sind viele Kombinationen von **Zusammenspiel** möglich: Die Kleinstbesetzung von 3 Spielern (Keyboard, Piano und Bass-Drums) kann auf ein Ensemble bis hin zu 8 oder 9 Spielern, wenn alle Instrumente besetzt sind, aufgestockt werden.

Der **Pianopart**, der sehr wichtig ist, kann gedoppelt werden. Hier ergänzt ein E-Piano-Sound den Klaviersound meist sehr gut.

Das Hören der Originale hilft, eine Klangvorstellung zu entwickeln, um zu einer guten, eigenen Interpretation zu gelangen. Die Freiheit, Form, Rhythmus, Tempo und Akkorde zu verändern, ist in der modernen Musik immer vorhanden, aber der Sinn eines Stückes sollte erhalten bleiben. Die Noten müssen lebendig werden, scheut Euch nicht, Neues auszuprobieren.

Und jetzt, viel Spaß!

Initiative B statt H

Noch etwas in eigener Sache:

Ich möchte alle Musiker und diejenigen, die im Bereich Musik tätig sind, auffordern, endlich den Ton H in Deutschland in den Ton B umzubenennen!

Wir müssen ein Ende des Verwirrspiels H – B – Bb – Bes – His – Bis herbeiführen und den Fehler des Mittelalters korrigieren.

Die Stammtönereihe lautet logischerweise:

A – B – C – D – E – F – G

Zur Erinnerung: ein Mönch hat fälschlicherweise im Mittelalter den Ton B als H abgeschrieben und dadurch die in Deutschland übliche Tonleiter

A – **H** – C – D – E – F – G

ins Leben gerufen. Es ist Zeit, diesen Fehler endlich zu verbessern!

Neben der fehlenden Logik führt der Name H immer wieder zur Verwirrung bei der Arbeit. Auf internationaler Ebene heißt der Ton B. Fatalerweise bezeichnet B im deutschen Notensystem auch noch das erniedrigte H. Jetzt ist die Verwirrung komplett. Ich werbe dafür, folgende Bezeichnung in Sprache und Schrift zu gebrauchen:

H = B

B = Bes

Ich benutze diese Bezeichnung in meinem Buch und hoffe, dass die Anwendung dieser neuen Notennamen sich im musikalischen Alltag durchsetzt.

Dark Horse

Katie Perry

Str.1

I knew you were - That you were gonna come to me
Here you are - You better choose carefully
I am capable of anything - Of anything and everything

Make me your Aphrodite - Make me your one and only
Don't make me - Don't make me your enemy - Your enemy, your enemy

Ref.1

So you wanna play with magic - Oh boy you should know what you're fallin' for
And do you dare to do this - Because I'm comin' atcha like a dark horse

Are you ready for, ready for - The perfect storm, perfect storm
'Cause once you're mine, once you're mine - There's no going back
Oho

Str.2

Mark my words - This love will make you levitate
Like a bird - Like a bird without a cage
Down to earth - If you choose to walk away - Don't walk away

It's in the palm of your hand now, baby - Yes or a no, no maybe
Just be sure - Before you give it all to me - It all to me
It all to me

Ref.2

So you wanna play with magic - Boy you should know what you're fallin' for
And do you dare to do this - Because I'm comin' atcha like a dark horse

Are you ready for, ready for - The perfect storm, perfect storm
'Cause once you're mine, once you're mine - There's no going back
Oho No going back oho Yeah

Ref.3

So you wanna play with magic - Boy you should know what you're fallin' for
And do you dare to do this - Because I'm comin' atcha like a dark horse

Are you ready for, ready for - The perfect storm, perfect storm
'Cause once you're mine, once you're mine - There's no going back

Demons

Imagine Dragons

Str.1

When the days are cold - And the cards all fold
And the saints we see - Are all made of gold

When your dreams all fail - And the ones we hail
Are the worst of all - And the blood's run stale

I wanna hide the truth - I wanna shelter you
But with the beast inside - There's nowhere we can hide

No matter what we breed - We still are made of greed
This is my kingdom come - This is my kingdom come

Ref.1

When you feel my heat - Look into my eyes
It's where my demons hide - It's where my demons hide
Don't get too close - It's dark inside
It's where my demons hide - It's where my demons hide

Str.2

When the curtain's call is the last of all
When the lights fade out - All the sinners crawl

So they dug your grave - And the masquerade
Will come calling out - At the mess you made

Don't wanna let you down - But I am hell bound
Though this is all for you - Don't wanna hide the truth

No matter what we breed - We still are made of greed
This is my kingdom come - This is my kingdom come

Ref.2

When you feel my heat - Look into my eyes
It's where my demons hide - It's where my demons hide
Don't get too close - It's dark inside
It's where my demons hide - It's where my demons hide

Bridge

They say it's what you make - I say it's up to fate
It's woven in my soul - I need to let you go

Your eyes, they shine so bright - I wanna save that light
I can't escape this now - Unless you show me how

Ref.3

When you feel my heat - Look into my eyes
It's where my demons hide - It's where my demons hide
Don't get too close - It's dark inside
It's where my demons hide - It's where my demons hide

A INTRO

Musical score for the Intro section (measures 1-4). The key signature is B-flat major (three flats). The time signature is 4/4. The score is written for piano with a treble and bass staff. The right hand plays a melodic line with eighth and sixteenth notes, while the left hand provides a harmonic accompaniment. Chords are indicated below the staff: E^b (measures 1-2) and B^b/D (measures 3-4). A 'with pedal' instruction is present at the beginning of the first measure. A measure rest of 3 is indicated at the start of the second measure.

5 B STR. 1/2

Musical score for the first half of the first system (measures 5-11). The key signature is B-flat major. The time signature is 4/4. The score is written for piano with a treble and bass staff. The right hand plays a melodic line with eighth and sixteenth notes, while the left hand provides a harmonic accompaniment. Chords are indicated below the staff: E^b (measures 5-6), B^b/D (measures 7-8), Cm (measures 9-10), A^b (measure 11), E^b (measure 12), and B^b/D (measures 13-14). A measure rest of 8 is indicated at the start of the first measure. A first ending bracket is shown at the end of the system, with a second ending bracket following.

14 C REF. 1/2

Musical score for the second half of the first system (measures 15-17). The key signature is B-flat major. The time signature is 4/4. The score is written for piano with a treble and bass staff. The right hand plays a melodic line with eighth and sixteenth notes, while the left hand provides a harmonic accompaniment. Chords are indicated below the staff: E^b (measures 15-16), B^b (measure 17), and Cm (measures 18-19). A measure rest of 14 is indicated at the start of the first measure.

Fields Of Gold

Sting

Str.1 You'll remember me - when the west wind moves - upon the fields of barley
You'll forget the sun - in his jealous sky - as we walk in fields of gold

So she took her love - for to gaze awhile - upon the fields of barley
In his arms she fell - as her hair came down - among the fields of gold

Str.2 Will you stay with me - will you be my love - among the fields of barley
We'll forget the sun - in his jealous sky - as we lie in fields of gold

See the west wind move - like a lover so - upon the fields of barley
Feel her body rise - when you kiss her mouth - among the fields of gold

Ref.1 I never made promises lightly - and there have been some that I've broken
But I swear in the days still left - we'll walk in fields of gold
We'll walk in fields of gold

Str.3 Many years have passed - since those summer days - among the fields of barley
See the children run - as the sun goes down - among the fields of gold

You'll remember me - when the west wind moves - upon the fields of barley
You can tell the sun - in his jealous sky - when we walked in fields of gold
When we walked in fields of gold - when we walked in fields of gold

♩=104

A INTRO

The Intro section consists of four measures. The right hand (treble clef) plays a sustained chord of Bm7 (B2, D3, F#3, A3) with a long note value spanning the entire section. The left hand (bass clef) plays a rhythmic pattern of eighth notes: B1, D2, F#2, A2, G2, F#2, E2, D2. The tempo is marked as ♩=104.

with pedal

5 B STR. 1/2

The first system of the main body (measures 5-8) features a complex texture. The right hand plays a series of eighth-note chords: Bm, G, D, and Bm. The left hand continues with the eighth-note bass line. The key signature is two sharps (F# and C#).

9

The second system (measures 9-12) continues the main body. The right hand plays eighth-note chords: Bm, G, D, G/B, A, and Bm. The left hand continues with the eighth-note bass line.

13

The third system (measures 13-15) continues the main body. The right hand plays eighth-note chords: Bm, G, and D. The left hand continues with the eighth-note bass line.

16

The fourth system (measures 16-19) continues the main body. The right hand plays eighth-note chords: Bm, G, and D. The left hand continues with the eighth-note bass line.

20

The fifth system (measures 20-23) continues the main body. The right hand plays eighth-note chords: Bm, G, D, G/B, A, and D. The left hand continues with the eighth-note bass line. The system concludes with a first ending (1.) and a second ending (2.), both leading to a final D chord in the right hand.

Hallelujah

Leonard Cohen

Str.1 I've heard there was a secret chord - That David played, and it pleased the Lord
But you don't really care for music, do you? - It goes like this, the fourth, the fifth
The minor falls, the major lifts - The baffled king composing Hallelujah

Ref.1 Hallelujah, Hallelujah
Hallelujah, Hallelujah

Str.2 Your faith was strong but you needed proof - You saw her bathing on the roof
Her beauty and the moonlight overthrew you - She tied you to a kitchen chair
She broke your throne, she cut your hair - And from your lips she drew the Hallelujah

Ref.2 Hallelujah, Hallelujah
Hallelujah, Hallelujah

Str.3 Maybe I've been here before - I know this room, I've walked this floor
I used to live alone before I knew you - I've seen your flag on the marble arch,
love is not a victory march - It's a cold and its a broken Hallelujah

Ref.3 Hallelujah, Hallelujah
Hallelujah, Hallelujah

Str.4 There was a time you let me know - What's really going on below
But now you never show it to me, do you? - I remember when I moved in you
And the holy dove was moving too - And every breath we drew was Hallelujah

Ref.4 Hallelujah, Hallelujah
Hallelujah, Hallelujah

Str.5 Maybe there's a God above - All I ever learned from love
Was how to shoot at someone who outdrew you - And it's not a cry you can hear at night
It's not somebody who's seen the light - It's a cold and it's a broken Hallelujah

Ref.5 Hallelujah, Hallelujah
Hallelujah, Hallelujah

Ref.6 Hallelujah, Hallelujah
Hallelujah, Hallelujah
